

@PATRICIA AREALINI

"THE NET EFFECT OF THIS LANGUAGE SYSTEM WAS NOT TO KEEP THESE PEOPLE IGNORANT OF WHAT THEY WERE DOING, BUT TO PREVENT THEM FROM EQUATING IT WITH THEIR OLD, "NORMAL" KNOWLEDGE OF MURDER AND LIES. EICHMANN'S GREAT SUSCEPTIBILITY TO CATCH WORDS AND STOCK PHRASES, COMBINED WITH HIS INCAPACITY FOR ORDINARY SPEECH, MADE HIM, OF COURSE, AN IDEAL SUBJECT FOR "LANGUAGE RULES." "

**-HANNAH ARENDT
